ABOUT C-PACE FINANCING

Financing for Multi-Family Properties

C-PACE or “Commercial Property Assessed Clean Energy” is a financing solution which could help you fund energy and water efficiency upgrades to your multi-family properties. C-PACE highlights include:

- 100% financing of hard and soft costs
- Attached to the property, not the property owner
- Reimburse costs up to 24 months post CO
- Longer terms than conventional loans

Most property owners find that the utility bill savings typically cover the cost of the improvements.

Most multi-family properties are eligible
Five or more units required on condos, apartments, townhomes, etc. to qualify

Energy conservation upgrades covered
HVAC systems, windows, insulation, lighting, cool roofs, etc.

Water conservation upgrades covered
Low-flow plumbing fixtures, pressure reduction, insulating pipes, etc.

Affordable part of your capital stack
For acquisition rehabilitation or financing new upgrades
