ABOUT C-PACE FINANCING

Financing for Wineries

C-PACE or “Commercial Property Assessed Clean Energy” is a financing solution which could help you fund energy and water efficiency upgrades to your winery’s properties. C-PACE highlights include:

- 100% financing of hard and soft costs
- Attached to the property, not the property owner
- Reimburse costs up to 24 months post CO
- Longer terms than conventional loans

Most property owners find that the utility bill savings typically cover the cost of the improvements.

Most winery properties are eligible

This additional financing source frees up capital for other renovation costs
